

# Match Report

Elston Hall 8 Trinity 0

## Manager's Verdict

And still undefeated. Another big win after another great team performance. We are starting to really gel as a team and have improved our organisation. Our defensive unit is getting better with each game and it helped us spring some quick attacks resulting in some excellent team goals. We may only have two games left but we will need to be at our very best if we want to maintain our 100% record.

## Scorers
