

Match Report

Elston Hall 7 St Stephen's 0

Manager's Verdict

Another game, another win. We started with a bang and scored after a minute. Our passing was crisp and the team played for one another brilliantly. Some of our attacking play was excellent but we also defended solidly breaking play up before the opposition had a chance to shoot. We have one day's rest before playing East Park on Thursday where we'll have to be at our very best to secure another win. We can't take anything for granted and must keep working well as a team.
