### Leadership of Elston Hall

Dear Parents and carers - I do hope this letter finds you staying safe.

I write to update you on a change to our leadership arrangements across a couple of our schools; Elston Hall and Palmers Cross. You will be aware that one of the biggest advantages of working in a Multi Academy Trust is the opportunity to use our school leaders to respond to particular issues and challenges that occur in our different schools.

Within the next few days, Mrs Wood who is currently Head of School at Palmers Cross will move within the Trust to lead a number of important issues that we face; beginning with our response to Ed Tech and Partnership Learning so relevant at this point. Replacing her as Head of School will be Mr Nicholls who will move from Elston Hall. Mr Nicholls is known to families at Palmers Cross and will move seamlessly into the post.

Elston Hall will continue to be led by Miss Foster as Head of School, who of course is well known to Elston families. Mrs Bennett, Miss Maguire and Mrs Tromans are of course the Assistant Headteachers at the school.

Not only will these changes enhance and support direct leadership in schools but will offer these leaders and aspiring leaders the opportunity to grow their own leadership skills in the coming months.

As you would imagine the 'change over' will be very low key, while our promise to ensure the very best of teaching and learning at all our schools remains. We are very grateful for your understanding while continuing to ensure your child's school, and our Trust, offers you the very best teaching and learning.

Enjoy your weekend... perhaps Christmas tree time?

Yours sincerely

Kevin Grayson  
Chief Executive
