## Health and Safety around our school

We reminded you through our last newsletter about Health and Safety issues we face around our school. Thank you to parents who have taken that on board but again we do need to share a few simple reminders please:

- ◆ Bikes and scooters must not be ridden on the school premises and playgrounds by either adults or children
- ◆ Children must not be allowed to play on our Early Years play equipment
- ◆ Dogs are not permitted in our school grounds except Guide Dogs
- ◆ Parents collecting Junior children are asked to wait near the basketball court and do not approach the classroom doors.

For the safety of everyone we urge families to support us with this! please work with us on this

## Parents Consultations

We have arranged Parents consultations for 16th and 17th October. Letters will be coming home soon for you to book a time. Nursery will be closed on Monday 15th October for their consultations. This is a great opportunity to meet your child's teacher if you haven't already done so!

## Year 6 Parents

Just a reminder to our Year 6 parents that your application for a secondary school place needs to be submitted by 31st October 2018.

## What's coming up

Monday 1st October 10 am - Open morning for parents Reception intake 2019

Wednesday 3rd October 9.00 am - Phonics workshop for Reception parents

Friday 5th October - 80th Anniversary celebrations

8th & 9th October - Book Fair

Check out the website for this week's experiment - How to make Lava!

Science Fact - Humans get a little taller in space because there is no gravity pulling down on them

## Is your child asthmatic?

Message from the School Nurse:

Please ensure school is supplied with an inhaler and a spacer, that remains on the school premises for your child's use should it be required. These should have their name on and if you make a note of the expiry date it can be replaced in a timely manner.

Also could you please send a copy of their Personal Asthma Action Plan into school for the attention of the School Nurse. If your child does not have a Personal Asthma Action plan please contact School Nurse on 444531 for advice.

Many thanks for your support with this.

## Harvest

Thank you to parents who joined us for Year 5's Harvest assembly today. Though the weather this week has been far from Autumnal, it was a lovely way to start Autumn! Thank you for all the donations as well which we have received for Harvest. This year we will be donating food to the Little Brothers of the Good Shepherd who do lots of great work for the city's homeless people!
