This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Enhance and extend the range of physical activities and sports available for pupils of all ages, abilities and interests, offered in and out of school curriculum and before/ after school clubs.	In 2021/22, pupils were provided with opportunities to take part in a variety of sporting clubs including football, netball, cross country, multi skills and yoga. In 2022/23 we have added additional multi skills clubs (to further encourage younger pupils to attend), gym and dance.	We aim to continue to improve the range of sporting clubs and opportunities for our pupils.
All clubs are then supported by a half termly inter-house competitions to give those attending clubs the chance to compete within school.	Inter-house competitions occurred in a variety of events at different schools across the trust.	
Increase high quality PE teaching and learning through the whole school through additional CPD, leading to increased health and well-being of children.	Staff are more confident and competent. Sports coach attended Dance and Gymnastics CPD. Impacted positively on Dance/Gym lessons. Continue CPD for existing staff and new staff.	Continue with ConnectEd membership.
Staff members to undertake Wild Tribes training (outdoor learning)	Children will begin a progressive outdoor learning curriculum. Staff attended and implemented Wild Tribe—now on weekly timetable for EYFS.	Ensure new staff have training to ensure continuity of provision.

<p>Pupils of all ages, abilities and interests can access a range of sport activities and competitions both internal and externally. Links through WASPS website—enter various sporting competitions.</p>	<p>Providing greater range of competitive opportunities has meant that a larger number of pupils have been able to access competition. Also by providing A, B and C teams, pupils of a wide range of abilities have been able to compete. By representing the school, pupils have an increased sense of pride, team spirit and improved self esteem.</p>	<p>More children participated in competitive sport than previous years. Competitions in: Boys football Girls football Mixed football Netball Cross country Athletics</p>

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Active breakfast club to encourage more pupils to attend school earlier and get involved in physical activities.	More children are choosing active activities in breakfast club.	Continue to look for ways to continue this provision.
Sport Ambassadors (SA) to encourage greater Physical activity in our children improving play at lunchtimes and breaktimes. SA to attend play leader training. SA to have their own lunchtime resources and storage facility. Supervised by Sports Specialists.	Play leader training given to 12 children (sports ambassadors) and activities set up for all children to engage in.	Physically active at lunch time completing organized sport.
Improve and extend the range of physical activities and sports available for pupils of all ages, abilities and interests, offered in and out of school curriculum and before/after school clubs. Sports coaches to deliver 3x after school clubs / lunchtime clubs each week, offering a range of sporting clubs.	Improved the variety of after school clubs, adding in: Badminton, Tri-golf, Tennis and Archery in addition to previous offered clubs (football, netball, multiskills, dance) 351 places taken by pupils across Autumn / Spring / summer term. This included 99 disadvantaged pupils and 26 pupils with SEND.	Continue to provide a variety of sporting clubs for children. Aim to increase participation of disadvantaged & SEND pupils in 2024 – 2025.
Involve outside agencies and local sporting clubs.	20 children took part in SEND table cricket, 8 of them then went on to compete in a competition where we won.	Continue to provide outside provision to enhance CPD for staff and wider opportunities for our children.
Role models- Invite local sporting personalities so pupils can identify with success and aspire to be a local sporting hero. (sports for schools – invite an athlete in to school)	Joe Roebuck – sponsored event for all pupils across school. Wayne Clarke Soccer 2000 – Year 5 calisthenics (90 pupils).	Invite further sporting personalities into school.
To promote physical activity and health through parental workshops. Deliver a series of health and active workshops for parents and children.	Year 1 and 4 parents attended a workshop (90% of children had an adult representing them across all events that ran)	Continue involving parents in our sporting success, join in with a PE session.

<p>Continue to ensure high quality PE teaching and learning through the whole school through additional CPD, leading to increased health and well-being of children. PE taught by sports specialists. Sports specialists to access CPD training. PG to attend 5-day Level 5 coaching CPD. Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	52%	<i>52% of pupils achieved this. Pupils were given swimming sessions for 1 term to develop water confidence. Whilst many pupils made good progress in this time, many were still not able to swim a full 25m. A limited number of pupils attend regular swimming sessions outside of school and a small percentage of pupils had developed high anxiety about swimming.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	49%	<i>Despite 52% of pupils being able to swim the 25m, some were not confident over a range of strokes. This was due to limited opportunities for swimming beyond what is offered by school curriculum.</i>

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>71%</p>	<p><i>Out of the pupils who regularly attended swimming sessions with school, 71% were competent to perform safe self-rescue. Some of those who could not achieve this lacked confidence without using water aids such as arm bands / pool noodles. This was due to pupils having limited experiences of regular swimming to build confidence.</i></p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes/No</p>	
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes/No</p>	<p><i>Swimming is delivered by external provider who are trained and school pay for this facility.</i></p>
