### Reverse Advent Calendar

The School Council are supporting The Well, Wolverhampton by organising a collection of items through December, called The Reverse Advent Calendar.

The idea behind it is to buy just one item from the list and bring it into school to add to the class box of donations. At the end of term, The Well will collect the donations and give them out to families who will benefit from food and toiletries over Christmas.

Please could any donations be within their Best Before date and from the items suggested on the attached list.

Thank you all for your kindness and support for this great event this Christmas.
