LO: To recognise differences between then and now

L.O. To recognise differences between then and now

*Have you ever wondered what Wolverhampton was like over a 100 years ago?
(Victorian Era)*

How do you think our city has changed over time?

What do you think has brought these many changes to our city?

LO: To recognise differences between then and now

Where do you think these pictures were taken in Wolverhampton then and now?

What tells you these black and white photographs were taken from the Victorian era?

Write down some similarities and differences you see between these two comparisons...

LO: To recognise differences between then and now

Where do you think these pictures were taken in Wolverhampton then and now?

Write down some similarities and differences you see between these two comparisons...

LO: To recognise differences between then and now

Onto a sheet of paper, draw a table like this...

	<i>Then (1900)</i>	<i>Now (2020)</i>
<i>Population</i>		
<i>Housing</i>		
<i>Factories</i>		
<i>Transport</i>		

Use the internet to research the differences between then and now in Wolverhampton City Centre. You may wish to include some photographs to help you explain your findings!

***EXTENSION TASK:** Explain what might have brought these changes over time...*

LO: To recognise differences between then and now

ANSWERS!
