

Free vitamins will help your child grow up strong and healthy

All pregnant women and children under 2 years old can receive healthy start vitamins for **free** in Wolverhampton.

If you receive Healthy Start vouchers, you can get vitamins until your child is 4 years old.

For more details, please visit www.healthystart.nhs.uk, or contact healthystart@wolverhampton.gov.uk.

You can also speak to your health visitor, midwife, local health centre, or Refugee and Migrant Centre.
